Department of Theatre Arts and Dance
Facility Use Policy

Effective: September 2009; Revised August 2015

Reason for Policy
The purpose of this policy is to maximize appropriate use and safety of University of Minnesota facilities managed by the Department of Theatre Arts and Dance including rooms and spaces located in Rarig Center and Barbara Barker Center for Dance. Policies governing use of the Minnesota Centennial Showboat may be obtained by contacting the Production Manager. Central University policy takes precedence if discrepancies exist within this policy.

Facility Use Overview
Spaces in the Rarig Center and Barbara Barker Center for Dance may be used as laboratory spaces by current Department of Theatre Arts and Dance students and employees who carry out research as a requirement of their coursework, curricular or department activities, or employment with the University. Official departmental activities always take priority and may override other facility reservations with no prior notice. Use must occur within open building hours and all reservations must end by building close, except for faculty, staff, and graduate students who have been granted restricted access. To guarantee the availability of space, all usage must be reserved and appear in the online ASTRA scheduling system.

This documentation of facility use not only provides a system to schedule and use facility resources, it serves to provide evidence of the high facility demand experienced in Theatre Arts and Dance facilities.
Facility use for directly related departmental activities takes priority over all other use types. Requests for space by non-Department or non-University entities are approved by the Production Manager (Rarig) or Dance Program Director (Barker) on a case-by-case basis. A non-University entity is one not covered by University insurance, that is, an entity that is not a current student, current employee, or an organization of the University. A non-University organization of which a current student or current employee is a leader or member of is considered a non-University entity. See policy links at the end of this document.

Due to limited facilities, requests from non-Department or non-University entities may or may not be considered.

**Reservation Priority**

The Department of Theatre Arts and Dance is committed to the University of Minnesota’s three-fold mission of research and discovery, teaching and learning, and outreach and public service. This mission informs the space reservation priority hierarchy.

4. Official departmental events or activities as determined by the Production Manager.
5. Theatre Arts and Dance major student research

7. Affiliate faculty (Teaching Specialists and Lecturers) professional development
   (2 hrs/day, 4 hrs/wk max)
8. Non-major students do not have permission to use Rarig Center or Barker Center without expressed permission from the Production Manager (Rarig) or Dance Program Director (Barker). If approved, No more than three working days (Excludes Saturdays, Sundays, Holidays) and 2 hours/day; 4 hours per week max)
9. Requests from non-Department and non-University entities are approved by the Production Manager (Rarig) or Dance Program Director (Barker) on a case-by-case basis; this includes facility rentals. If approved, no more than three working days (Excludes Saturdays, Sundays, Holidays) and 2 hours/day; 4 hours per week max)

During the academic year when classes are in session - students may request space up to 8 weeks in advance; faculty may request space up to 6 weeks in advance.

For space reservation during breaks, space may be requested as far in advance as possible.

*Reservation priorities for use of University building space is governed by the policy “Using and Leasing University Real Estate (Permissible Uses and Scheduling Priority). See policy link.*
